AMSTRAD

classic AXIENS

MINI BUS LINE

bubble bus software

A nomadic, marauding pack of invading Axiens out for a wild flinging, all-night get-together, decide to drop in for a quick demolition job before moving on to the highlight of the evening. Using your immense amount of grey matter and a lot of luck, you are the only hero the world could find to prevent a one-way trip to stardust.

Enter the Axiens competition- see inside for details.
